POSITIVE PROFIT ALERT

This announcement is made in accordance with Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of Yangtzekiang Garment Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) wishes to inform the shareholders of the Company and potential investors that, solely based on the information currently available and a preliminary review of the Group’s unaudited consolidated management accounts for the six months ended 30 September 2016 by the Group’s management, it is expected that the Group may record a moderate level of net profit after taxation for the six months ended 30 September 2016 as compared to a net loss after taxation of approximately HK\$19 million for the six months ended 30 September 2015.

The expected turnaround to profit is mainly attributable to the following factors:

- (i) significant decrease in share of losses of a jointly controlled entity of the Group. The improved results was due to (i) improvement in yarn business after a change of product sales mix to accommodate the changing market and (ii) cost of raw materials was kept at reasonable price level while high raw material price was suffered during the same period last year; and
- (ii) recognition of the one-off non-cash gain arising from the release of exchange reserve upon the deregistration of a subsidiary.

The information contained in this announcement is solely based on the information currently available and the preliminary review by the Group’s management of the unaudited consolidated management accounts of the Group for the six months ended 30 September 2016, which are subject to finalisation and necessary adjustments and have not yet been audited, confirmed or reviewed by the Company’s auditors or its audit committee. Shareholders of the Company and potential investors are advised to carefully consider the financial information of the Group to be disclosed in the Company’s interim results announcement for the six months ended 30 September 2016, which is expected to be published by 28 November 2016.

Shareholders of the Company and potential investors are advised to exercise caution when dealing in the shares of the Company.
